Cooley PTC Minutes

May 17, 2011

Board Meeting

No board meeting took place in May.

General Meeting

The general meeting was called to order at 7:05 with 13 people in attendance. The pledge of allegiance was recited and the minutes were presented. Shelly Grimes motioned for the minutes to pass and Kelly Appleby 2nd. The minutes passed unanimously.

Program Updates & Reports

Dinner Outs brought in \$42.40 from Daphne's night and another \$88.80 from Jamba. We look forward to doing Jamba days again next year.

Box Tops received a check for \$497 and we will have a last push next Thursday and Friday. For every 50 Box Tops, the student will get a front of the line pass for the rest of the year.

Staff Appreciation had a great week providing meals and treats for the staff. Thank you to everyone who brought in items for the breakfast and lunch.

Escrip had a final total of \$3355 for the year. Kim Cohen will no longer be doing our Escript but will gladly train anyone interested. Escript is starting a new program similar to Groupon. Information will come out via e-mail to all users.

The Poker Night was full of fun. Even though it was a smaller toned down version, all attending had a fantastic time. A raffle was put in place to make up for some of

the costs. We are giving away the prizes at Back to School Night. Contact Christine or Hallie if you need tickets.

8th Grade Send-Off has many fun activities and surprises planned for our 8th grade class. We still need volunteers for handing out certificates and as chaperones.

Business Action

We will end the year in very good shape. Although we did not make as much as expected this year, we did not spend as much either. Therefore we will be able to fund the wireless portals around the school and still have funds to start next year. The audit will take place over the summer after all of the expenses are processed. Yvonne Graser and Ann Tavernetti have offered to help.

Teacher's Report

Ms. Hartin expressed thanks from the staff for the wonderful Staff Appreciation week activities. The staff is also excited that the STAR tests are over and the kids did a fantastic job. Everyone is winding down the year and looking at next. The PBIS program will start and it looks like there will be around 1200 students -- one cozy family.

Principal's Report

Karen reported that as of today there are 1189 registered from next year. Everyone is excited for the promotion ceremony. Detailed information will come out soon. The awards event will be on June 3 and the promotion will be on the 7th. Cooley will offer Geometry next year to build a stronger math program and there will be interesting electives. Examples of electives are choir, ukulele, broadcast, newspaper and of course the yearbook and leadership. 9 new teachers will be hired. Ms. Matthews is moving on to Roseville High.
