

ACKNOWLEDGING OUTSTANDING TEACHERS
January 2010

Dear Friends and Parents,

Enclosed is information about a private non-profit organization that I have chosen to become a part of for a very special reason. The EDUCATION FOUNDATION was created to give recognition and a monetary grant to outstanding teachers in Northern California. All total, since 1992, our Foundation has given over \$700,000 to 1200 outstanding teachers.

I've always felt that teachers, entrusted with our community's next generation of leaders, were inadequately compensated and under-appreciated. When I heard about the Foundation and found I could contribute with every home I sold, I became a continuous donor.

Thus, I am writing to ask for your help. **If you are aware of an outstanding teacher in your local school and believe that that teacher should be recognized, please go to our WEBSITE at www.PruRealty.com/educationfoundation and nominate him/her for the Award and Grant.** Your children may also nominate a teacher; in fact, *doing so is an excellent way for kids to see the power of their words in action.* Should the teacher you nominate be chosen for an Award, you (and your child) will be invited to the Awards Ceremony. The teacher may even choose you to honor them that night. Believe me, it is an evening of joy, inspiration and celebration that you and your child will not forget.

The Education Foundation operates with volunteers; nearly all money goes directly to the teachers. We accept donations from the public, so feel free to make a contribution. Nominations are accepted in the fall up until the deadline of March 15 each year. All applications, located on the website must be complete to be considered. After grantees are chosen, letters are sent to the recipients in the spring and the Awards Ceremonies occur in May each year.

If you have any questions, please call me. I can be reached at Prudential in Roseville at 916-897-6460. Thanks for your help, and as always, should you need any residential real estate services or wish to refer a friend or associate, please contact me as soon as possible.

Fondly,

April Dunlap
