- Just a reminder that we are still in need of a 2021 Fireworks Booth Chairperson.

- The staff is very excited and anxiously awaiting the return of our students, they are severely missed.
- Mrs. Calkins discussed with the PTC for funds to help out children with gift cards and rewards for social and emotional learning.
- Karen expressed great appreciation to PTC and all parents through the process of distance learning.

### **XIII. Other**

- In a tragedy we lost one of our own students, 7<sup>th</sup> grader Tyler Cole was hit by a car and passed away. Please take the time to sign the card for his family.
- Miss Grace is available for counseling for our students during this time. Please don't hesitate to reach out to her.
- Because time does fly, we do need to think that we have some big positions to fill for the next school year.
- If you know of anyone that you think may do a great job, it's never too early to let us know, we will need a Monster Mile Mash Chair, a Fireworks Booth chair, and a Treasurer to name a few.
